

# Silvertears

## Misteltein

Empty streets left alone  
Water drops falling down  
A gray and empty sky washes all your tears away  
See the stars hiding away  
From this vicious circle of drugs

For life you are the looser with no second chance  
Fading hopes blown away  
You are waiting for the night

You're playing hide and seek with the devil in the sky  
See the bright big city lights  
A colorful and fatal trap

Left freezing on the pavement ? you never had a chance  
For another day  
Lost memories are calling  
For another day  
Your silver tears are falling
