Imagine That

Patsy Cline

Imagine me still lovin' you
After all you've put me through
Well, I can't help it, I just do
Imagine that and that's not the halfImagine this, if you can
I've stood more, more than I should stand
But I'd still take you back again
Imagine that, ain't that a laughCan you believe I'd swallow my pride
Well, yes, yes, I guess you can
'Cause you know you've always had my foolish heart
Right in the palm of your handSo, for what it's worth to you
It, it just don't matter what you might do
'Cause I'm still waitin' and lovin' you
Imagine that, ain't that a laughSo, for what it's worth to you
It just don't matter what you might do
'Cause I'll still be waitin' and lovin' you
Imagine that, ha ha, ain't that a laugh
