

# Angels Have Fallen

## Kansas

Angels have fallen, fallen from heaven, where did they go  
No one could save them, no one forgave them, their chance to know  
When I hear them below, I think how it is to be weary  
Children are restless, they know what can happen when men are vain  
Talking in riddles won't keep them from knowing you've gone insane  
They know a few will try to gain by trying to live like their teachers  
Save me for now, save me forever  
Hold me so close, I can't bear to go  
There's darkness around me or is it within me  
You're living forever, but I'm dying so slow  
Inside a window that leads to your conscience, you'll see, you'll hear  
People are talking, maybe you know them, they know you're near  
Masking themselves from fear and asking themselves who their friends are

Save me for now, save me forever  
Hold me so close, I can't bear to go  
There's darkness around me or is it within me  
You're living forever, but I'm dying so slow  
Well, you say that you've been here in this life and time  
You say it's no good here, but you say that so fine  
As you reach for your winnings, an angelic excuse  
Around them you act humble, still you never refuse  
You better tell all your people to watch for a sign  
To make them glad they are living in this life and time  
The angels have fallen, they've all gone away  
It's you that must find them by living each day
