

# When He Shines

[Sheena Easton](#)

This mans a child, this man is old  
Sometimes hes mild, sometimes hes bold  
This man I love, sometimes in spite  
I wish he would stick to his guns, or abandon the fightBut when he shines, oh when he shines  
Yes when he shines, he shines so brightSometimes a tramp, sometimes a dude  
He changes colour just like a cameleon, cant find the mood  
He is a song thats not easy to write  
He is a moon in the morning, and the sun out at nightBut when he shines, when he shines, oh when he shines, he  
shines so brightThis mans a gentleman, this man is strong  
This temperamental man plays me alongBut when he shines, when he shines, oh when he shines, he shines so  
bright  
Yes when he shines, when he shines, oh when he shines, he shines so bright(Instrumental break)  
But when he shines, oh when he shines  
Yes when he shines, he shines so bright  
Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
