I Saved You (With Kim Sanders)

Schiller

I honestly,
Won't give you,
An apology.
You'd come to see,
That you'd disagree,
With my policy.And in truth
I saved you
I saved youYou'd fall so deep,
And my mountains steep,
You can't brace yourself.
So I walk away,
With not much to say,
Cause I know myself.And in truth
I saved you
I saved youI saved you,
Nights of missing me there.
I saved you,
Prayers, praying that it ain't fair.
I saved you,
Hours of therapy.
I saved you,
From being hurt by me,
From being hurt by me.You'd give your best,
But it'd still be less.
And that makes no sense.
I have to leave,
And we'd have to breathe,
And there's no defense.So in truth
I saved you,
Nights of missing me there.
I saved you,
Prayers, praying that it ain't fair.
I saved you,
Hours of therapy.
I saved you,
From being hurt by me,
From being hurt by me.I saved you x4
From being hurt by me

From being hurt by me
