

# Fork In The Road

## Neil Young

Got a pot belly  
It's not too big  
Gets in my way  
When I'm driving my rigDriving this country  
In a big old rig  
Things I've seen  
Mean a lotFriend has a pickup  
Drives his kid to school  
Then he takes his wife  
To beauty schoolNow she's doin' nails  
Gonna get a job  
Got a good teacherThere's a fork in the road ahead  
I don't know which way I'm gonna turn  
There's a fork in the road aheadAbout this year  
We salute the troops  
They're all still there  
In a fucking war  
It's no good  
Whose idea was that?I've got hope  
But you cant eat hope  
I'm not done  
Not giving up  
Not cashing in  
Too lateThere's a bailout coming but it's not for me  
It's for all those creeps watching tickers on TV  
There's a bailout coming but it's not for meI'm a big rock star  
My sales have tanked  
But I still got you  
Thanks  
Download this  
Sounds like shitKeep on bloggin'  
'Til the power goes out  
Your battery's dead  
Twist and shoutOn the radio  
Those were the days  
Bring 'em backThere's a bailout coming but it's not for you  
It's for all those creeps hiding what they do  
There's a bailout coming but it's not for you  
Bailout coming but it's not for youGot my flat screen

Got it repo'd now  
They picked it up  
Left a hole in the wall  
Last Saturday

Missed the Raider's game  
There's a bailout coming but it's not for you  
There's a bailout coming but it's not for you  
It's for all those creeps hiding what they do
