

# Storm the Sorrow

## Epica

Along the way I find myself  
To be confined within me  
No place for any other's mind to interfere

To grasp the meaning of it all  
To overcome my limits  
And dance away from any void and empty tones

Just tell me why  
Just tell me how  
I can survive this time

Believe yourself and look away  
From all that's right within you  
Leave all your worries at the door  
And drift away

I've tried to peer into the core  
But could not storm the sorrow  
My hollow heart has bled me dry, led me astray

Another time  
Without a trace  
Condemn me now  
Send me to heaven  
For I am failing

Intertwine the lines  
That swim beneath the dark  
Realize the pain we live in  
Demonize the need we reel in

Oh, in my memories I'll dig deep enough to know  
Centuries of dreams unending  
Another me to yield the tears when someone had  
betrayed

No time should ever go to waste  
It's not that complicated  
You're free to live your life at ease

No more restraints

No heed for shadows on your way  
That try to steal your laughter  
Your light will drive them all away  
Be confident

Will I refrain?  
Can I repent?  
Will you be there?  
Erase the page  
For I'm alone and ailing

Intertwine the lines  
That swim beneath the dark  
Realize the pain we live in  
Demonize the need we reel in

In my memories I'll dig deep enough to know  
Centuries of dreams unending  
Another me to yield the tears  
When someone had betrayed

So  
This is my life and you can't break me down  
Go  
I will decide who can come in and heal my disease  
Burn it in flames  
Kill it and maim  
Why can't you see that you need to be freed?

Intertwine the lines beneath the dark  
Every bit of pain we're feeling  
Every other solemn life  
Oh, in the memories you will find somehow  
There used to be a dream unending  
No more need to be alone

Intertwine the lines  
That swim beneath the dark  
Realize the pain we live in  
Demonize the need we reel in  
Oh, in my memories I'll dig deep enough to know  
Centuries of dreams unending  
Another me to yield the tears when someone had

betrayed

Someone betrayed~
