

Devil's warehouse

Misfits

She works at the devil's warehouse
She loves carnality
In her human pit of love
Entrance to heracy, well When I sin, I sin real good
When I sin, I sin for sure Come on up to the devil's warehouse
Intimate hell of a demon slut, well
Angels take their time in falling
Come alive in the house that screams When I sin, I sin real good
When I sin, I sin for sure Come alive in the house that screams
Come alive in the house that screams This is the devil's warehouse
Night time for beating backs
Said this is the devil's warehouse
Night time for midnight masses When I sin, I sin real good
When I sin, I sin for sure Come alive in the house that screams
Come alive in the house that screams When I sin, I sin real good
When I sin, I sin for sure
When I sin, I sin real good
When I sin, I sin for sure
