

# When I'm Gone

## McAuley Schenker Group

It's early morning, not quite awake  
The urge is calling and I can't wait  
I need you now, Oh!  
Your body moves, we feel like one  
You open your eyes and I feel so strong  
I want you now, more than ever You laugh when I cry  
I'm beginning to see the reason why  
Don't go thinking I'll never leave  
'Cause you won't be laughin'  
You won't believe (You better believe) When I'm gone baby, gone  
Who's gonna hold you  
From dark until dawn  
And who will be there  
That can love you like me  
When I'm gone? Your clothes are hanging on the floor  
My room is full of the night before  
And the promise you made to love me forever Oh! You can't use me  
Then just up and leave  
You got it wrong  
You better believe  
If I walk out that door  
It's forever  
There's no turnin' back When I'm gone baby, gone  
Who will you turn to  
When you need someone  
Who will be there to love you  
Do what I do  
When I'm gone...
