Stick Up Kid

Hazen Street

Oh, I bet you never seen it coming
I see them running all too scared
'Cause I am there, gun in hand
Hands up, everybody get 'em up
Hands up 'cause I don't give a fuck
You could have shown me some more classAnd now you'll feel the wrath
From the gun blast, the gun blast
It all happened so fastCould have been a stick up kid, no
Should have been a lot of things, whoa
Would I change everything
Or anything for who I am today?So, I guess, I better keep it moving
As I walk away impaired
Guess who is there, gun in hand?
Hands up, everybody get 'em up
Hands up 'cause now I'm really fucked
I should have chosen another pathBut now I'll feel the wrath
From the gun blast, the gun blast
It all went by so fastCould have been a stick up kid, no
Should have been a lot of things, whoa
Would I change everything
Or anything for who I am today?Could have been a stick up kid, no
Should have been a lot of things, whoa
Would I change everything
Or anything for who I am today?Would I change everything? No
I wouldn't change anything, no
All that I've done and seen
Has helped me be the man that I am today
This is who I becameCould have been a stick up kid
But every thing's not always what it seems
Could have been a stick up kid
Should have been a lot of things
Could have been a stick up kid
Should have been a lot of thingsCould have been a stick up kid, no
Should have been a lot of things, whoa
Would I change everything
Or anything for who I am today?Could have been a stick up kid, no
Should have been a lot of things, whoa
Would I change everything
Or anything for who I am today?
