

Lonely Boy (Miss Volatile Remix)

Black Lab

You say
You like to sleep alone
And I say
I miss the way you breathe
You say
I get away with murder
But you know I've paid for hurting
Someone I cant leave behind Do you feel something
Pulling you back in?
Do you see something
You wanna see again?
I could be the one
I could make it up to you
Take me back
I'm the lonely boy who..
Who loves you You say
My broken heart becomes me
I say
I'd sell it cheap to you
You say
I should wrap all the lies I've told in
10 dollar bills and smoke
The money doesnt burn so clean Do you feel something
Pulling you back in?
Do you see something
You wanna see again?
I could be the one
I could make it up to you
Take me back
I'm the lonely boy who...
Who loves you
I'm the lonely boy who...
Who loves you Well, come on, now
Come on, now Do you feel something
Pulling you back in?
Do you see something
You wanna see again?
I could be the one
I could make it up to you

Take me back
I'm the lonely boy who...
Who loves you
I'm the lonely boy who...
Who loves you
