

# Surreal Atrocities

## A Life Once Lost

The damage has been done  
Listen to the cries of turmoil  
As the day continues to rain  
You can hear the vocal violence  
Silence the crowd  
Words fall short of sound  
As the loudest of men  
Become speechless  
Lack of breath  
Is what swept me away As I wallow  
Helpless in this surreal atrocity  
With night approaching  
We all become vulnerable  
Everything seems to move slower  
As time drifts apathetically  
To greet the dawn  
As the new day begins  
The effort to live becomes none
