Every Time It Rains

My Endless Wishes

Every time it rains
I sit at home and wonder why
Ever since you said goodbye
I felt so all alone
Every time it rains
And summer showers soak the ground
I watch the rain come pouring down
And I call out your name

Every time it rains
I hang my head and want to die
And I don't seem to care that
I'm just not making it on my own
Every time it rains

Sometimes late at night
I close my eyes
And pretend that you're here with me
But every time it rains
I realize just how lonely my life is going to be

Every time it rains
Every time I hear the raindrops fall
I may say that I don't mind it at all
But I do

Every time it rains
Every time I try to tell myself
That in time I'll find somebody else
But it won't be you
Every time it rains
Every time it rains
