No

Soulfly

No, judge me, no, no, fuck around
No, trust no one, no criticize
No fake smiles, no sympathize
No enemies, no redneck shit
No bullshit, no slaveship
No 'Muthafucking Hootie & The Blowfish'
No radio songs, no bow to none
No follow none, no politricks
No, judge me, no, no, fuck around
No, trust no one, no criticize
No fake smiles, no bow to none
No follow none, no redneck shit
[Incomprehensible]N O, N O
N O, N O
Fuck
No worship, no bullshit
No 'Muthafucking Hootie & The Blowfish'
No fuck around, no trust no one
No enemies, no redneck shit
[Incomprehensible]N O, N O
Muthafucker
N O, N O
