Destroyer

Saint Motel

Give it a rest, I'm quite alert
It was a doomed affair from the start
Everyone told me to stay away
It's just a game she plays with the heartBut I'm a man made of flesh and blood
Oh god forgive me love's what I crave
And as she goes walking out the door
She turned to me once more and she sangI don't break hearts, no that's not me
I don't break hearts (I destroy them)
I don't break hearts, no that's not me
I don't break hearts (I destroy them)Now I'm alone sitting in the park
Sitting in the dark, trying to breathe
Everyone tells me to carry on
The damages are done
Set it freeI was a man made of flesh and blood
But now just dirt and mud in my veins
I know she left, but she's haunting me
I hear her mocking me as she singsI don't break hearts, no that's not me
I don't break hearts (I destroy them)
I don't break hearts, no that's not me
I don't break hearts (I destroy them)I don't break
I don't break
I don't break hearts (I destroy them)
x2I don't break hearts, no that's not me
I don't break hearts (I destroy them)
x2I don't break
I don't break
I don't break hearts (I destroy them)
x2
