

# Kind Hearted Woman

Eric Clapton

I've got a kind hearted woman, she studies evil all the time

I've got a kind hearted woman, she studies evil all the time

You would do to quit me just to have it on your mindI've got a kind hearted woman, do anything in this world  
for me

I've got a kind hearted woman, do anything in this world for me

But these evil hearted women, Lord, and they will not let me beNow it ain't but one thing makes Mr. Clapton  
drink

I swear about how you treat me baby, I begin to think

Oh baby, my life don't feel the same

It breaks my heart when you call Mr. So-and-so's nameShe's a kind hearted woman, she studies evil all the time

She's a kind hearted woman, she studies evil all the time

You're best to quit me baby as just to have it on your mind
