

# Vanishing Point

## Dolce Triade

Grow up children don't you suffer  
At the hands of one another  
If you like a sleeping demon  
Listen can you hear him weeping  
Tears of joy and tears of sorrow  
He buys love to sell tomorrowMy life ain't no holiday  
I've been through the point of no return  
I've seen what a man can do  
I've seen all the hate of a woman tooFeel your heartbeat lose the rhythm  
He can't touch the world we live in  
Life is short but love is strong  
There lies a hope that I have found  
And if you try you'll find it too  
Remember why I'm telling youMy life ain't no holiday  
I've been through the point of no return  
I've seen what a man can do  
I've seen all the hate of a woman tooAnd they gave him away  
Like in 'Whistle Down The Wind'  
By the look on his face, he never gave in
