

Everytime We Touch [Yanou's Candlelight Mix]

Cascada

I still hear your voice when you sleep next to me
I still feel your touch in my dreams
Forgive me my weakness, but I don't know why
Without you it's hard to survive 'Cause every time we touch, I get this feeling
And every time we kiss I swear I could fly
Can't you feel my heart beat fast, I want this to last
Need you by my side 'Cause every time we touch, I feel the static
And every time we kiss I reach for the sky
Can't you hear my heart beat so I can't let you go
Want you in my life Your arms are my castle, your heart is my sky
They wipe away tears that I cry
The good and the bad times we've been through them all
You make me rise when I fall 'Cause every time we touch, I get this feeling
And every time we kiss I swear I could fly
Can't you feel my heart beat fast, I want this to last
Need you by my side 'Cause every time we touch, I feel the static
And every time we kiss I reach for the sky
Can't you hear my heart beat so I can't let you go
Want you in my life 'Cause every time we touch, I get this feeling
And every time we kiss I swear I could fly
Can't you feel my heart beat fast, I want this to last
Need you by my side
