

Hustler

Conway

Something inside is dying
Alright is sunday morning
Coming up for the price tonight
Taking bullet to the bone, it's not a warning
Don't want ever? on we tryCuz Imma hustler, hustler yeah!
Hustler and I and I hustler, yeah!Late night in my bed, I swear I don't believe you
something you said, don't said alright
Butterfly in my head like a Desert Eagle
Takin' me to the other side
