

# Never Grow Old

## The Cranberries

I had a dream strange it may seem  
It was my perfect day  
Open my eyes I realize  
This is my perfect day  
Hope you never grow old  
Hope you never grow old  
Hope you never grow old  
Hope you never grow old  
Do ru too do do ru too do  
Do ru do do ru do  
Do ru too do do ru too do  
Do ru do do ru do  
Birds in the sky they look so high  
This is my perfect day

I feel the breeze, I feel at ease  
It is my perfect day  
Hope you never grow old  
Hope you never grow old  
Hope you never grow old  
Hope you never grow old  
Forever young  
I hope you stay forever young  
Do ru too do do ru too do  
Do ru do do ru do  
Do ru too do do ru too do  
Do ru do do do do
