Until The End

Hypocrisy

You can't beat me, you can't beat the demons, I insist
I've come to take you away to a better place where you can rest
I won't stay forever, just 'til the end of time
I won't make it better, I will be there 'til you dieThere's no end for your pain just as long as you fight it
It is all just a game to see how long you can take it
I won't stay forever, just 'til the end of time
I won't make it better, I'll be there 'til you dieGot a way to the end
Equilibrium's end
Got a way to the end
Equilibrium's endNo!I won't stay forever, just 'til the end of time
I won't make it better, I'll be there 'til you dieGot a way to the end
It will be for yourself
Got a way to the end
Equilibrium's endGot a way to the end
Equilibrium's end
Got a way to the end
Equilibrium's end
