

Thought I Knew

Weezer

Sorry
About my past life
Sorry
But we just missed
Sorry it had to end up
Like this
Sorry
If I caused you pain
Sorry
I forgot your name
Sorry
But you left me out
In the rain
Thought I knew
You better than
Thought I knew
Your intentions
Thought I knew
But I didn't have
A clue
Not a single damn thing
Was true
Sorry
If I caused you harm
Sorry
I'm no good luck charm
Sorry
You didn't end up
In my arms
Thought I knew
You better than
Thought I knew
Your intentions
Thought I knew
But I didn't have
A clue
Not a single damn thing
Was true
Now that I
World's gone down
We've traded away
Blew out the spark
And now we're left
With broken hearts

Tryin' to find
A new place to startThought I knew
You better than
Thought I knew
Your intentions
Thought I knew
But I didn't have
A clue
Not a single damn thing
Was true
