Another Day (Shok's Other Way Remix)

Godhead

I don't want to be a part of the same mistake
I'll stick around, hold the ground you surround
As my bones will break
I don't want to touch any living part of you
I'll keep away every day you display your ineptitudeanother day in the light
Another ocean of spite
Another way I can say,
everything is alrightÃ¢??I'm tired of sharing your shallow existence
What in the hell did you think I would do?
I know you never expected resistance
Now you'll just have to find somebody newanother day in the light
Another ocean of spite
Another way I can say,
??everything is alrightÃ¢??another day in the hole
Another weight on my soul
Another way I can see the light growing old
Here I am playing the role
The tension taking it's toll
Another way I can see my life being soldanother day in the light
Another ocean of spite
Another way I can say,
??everything is alrightÃ¢??
