

# Another Day (Shok's Other Way Remix)

## Godhead

I don't want to be a part of the same mistake  
I'll stick around, hold the ground you surround  
As my bones will break  
I don't want to touch any living part of you  
I'll keep away every day you display your ineptitude another day in the light  
Another ocean of spite  
Another way I can say,  
everything is alright~?I'm tired of sharing your shallow existence  
What in the hell did you think I would do?  
I know you never expected resistance  
Now you'll just have to find somebody new another day in the light  
Another ocean of spite  
Another way I can say,  
~?everything is alright~?another day in the hole  
Another weight on my soul  
Another way I can see the light growing old  
Here I am playing the role  
The tension taking it's toll  
Another way I can see my life being sold another day in the light  
Another ocean of spite  
Another way I can say,  
~?everything is alright~?
