So I began to scream back
Just a number two with a cheese stack
Now can you make that please fast?
Well let me repeat that back to you

With two whoppers and some bean stew
Is there anything else I can get for you?A coke a fry and a cheeseburger

So I gave him the money and drove away
Well reached in the bag and I'm about to take
Just a big old bite and I can't wait now
Where's the fries I'm supposed to have?
Where's the burger I'm supposed to grab?
Just right then I started gettin mad
