Creature Feature

Meatbodies

Oh creature feature!
Welcome to this world
Nothing's gonna bring you... down
Oh creature feature!
I offer up my hands, twist them and turn them... down
I can see!
See the wires runnin' far
You know me, it's the end we're runnin' from
And all the creatures say hello to the world
Oh creature feature!
Can I be like them?
Biting at the end of the... stars?I can see!
See the wires runnin' far
You know me, it's the end we're runnin' from
And all the creatures say hello to the world
I can see!
See the wires runnin' far
You know me, it's the end we're runnin' from
And all the creatures say hello to the world
And all the creatures say hello to the world
