drowning

The Eden Project

I think I lost my mind a while ago
Cause' I've been seeing some ghosts
And id be lying if I told you I'm fine
But I lie
Yeah, these thoughts I would never speak out loud
I've seen you cry but I've never seen you shout
Like a hurricane, these shots don't ricochet
Sight blurred I'm walkin dazed, girl I'm fucking faded
Or maybe wasted, I can't remember how it happened
Oh I dont know my limits at all
I'm sinking down into my thoughts
Oh my godBut so what if I drank too much
This ain't love, it's just a firefight
And even if it's not enough
Ill say it once I swear I never lied
But this is the last time
This is the last time
This is the last time
This is the last time
You'll ever bring me down
But girl you know I'm drowning
And I keep goin' down
But I'll swear that I'm not, I'm not, I'm notIt's friendly fire and sunlight
The aftermath of one too many
Words I said, when I should have said nothing at all
At all
I gotta stop overthinking
And missing
What could have been
You were never even really here
And still were are spinning
Just liars and cheaters
Right back where we started
But it don't get easier
I am drowning
In liquor and apathy
Will be the death of meBut so what if I drank too much
This ain't love, it's just a firefight
And even if it's not enough

Ill say it once I swear I never lied
But this is the last time
This is the last time
This is the last time
This is the last time
You'll ever bring me down(Interlude)Last time
This is the last time
