

Mr. Jones (Re-Recorded)

Mike Jones

You can ride all day long
Another mike diesel production (Mike Jones)
But you'll never catch Mr. Jones (Mr. Jones)
He's got a gang that's far too strong (Ice Age Ice Age Ice Age)
Your friends know it, that's why you're all alone (All alone)
Chasing the man you can't see (Mike Jones)
So just walk away and let him be
He's got a shotgun so go back home (Who? Who?)
Cause you'll never get Mr. Jones (Mike Jones) I'm back my music tracks about to sell another meal
My pants they saggin' from them hundred dollar bills
These haters hate but they don't really wanna see the steal
These haters hate but they don't really wanna see the steal
Had a million in my bank before I solemn bought the deal
Had a million in my bank before I solemn bought the deal
Before I came I just say the streets wouldn't feel
The shit that I'm spittin' the shit that's real
But now I'm like mellow I'm the king of the hill
American dream I'm livin' that for real
Eleven Corvette a nigga tell me how you feel
The diamonds on my teeth and put them on my phantom grill (Smile, ha ha) You can ride all day long
