

Soon (Graham Stack Radio Edit)

[LeAnn Rimes](#)

Soon, Baby
I will cry my last tear
Soon, yea
I will be over you
Soon, Darlin'
All these tears won't be here
Soon yea You know that I will be over you Soon
One night baby you won't be in my dreams
One night yea
I'll finally make it through one night darlin'
I won't call out your name
I won't be in this place
Soon I will be over you Soon as the mountains turn into rivers
Soon as the sea turns into sand
Soon as the sun comes up at midnight
That's how Soon Soon all the hurt will end
Until then i'll just pretend
Soon it will be over
Soon Yea
I keep telling myself I'll be over you
Someday Soon Soon as the mountains turn into rivers
Soon as the sea turns into sand
Soon as the sun comes up at midnight
That's how soon I will be over you Baby
Soon yea
I will be over you darlin'
If only in my dreams
I will be over you
Someday Soon
Someday Soon Soon oh yea
Soon
