

# Somebody to Love Me

Mark Ronson

I don't wanna see you go,  
I want somebody to love me,  
Why'd it take so long to know?  
I want somebody to love me,  
I want somebody to be nice,  
See the boy, I once was in my eyes,  
Nobody's gonna save my life We are wicked men,  
Looking for our buckles to loosen,  
By the count of ten,  
I wanna see somebody human,  
And I lost what it was, in the teenage dust of a downtown Romeo,  
In a couple of weeks, you can tell all the freaks, how you carried my body home But tonight, I crossed the line,  
Dear Mr Lonely, how much do they know me?  
I could find lessons in life,  
But, once you've earned it, you've already burned it I don't wanna see you go,  
I need somebody to love me,  
(Need somebody, oh)  
Why'd it take so long to know?  
I need somebody to love me,  
(Need somebody, oh)  
I want somebody to be nice,  
See the boy, I once was in my eyes,  
Nobody's gonna save my life Got my ticket man, and I'm looking for somebody to use it,  
I know we pretend, but one of these days we're gonna lose it,  
And I once left town, when the leaves turn brown,  
With a couple of souvenirs,  
She was in my car, when we hit that wall,  
Yeah, you could of moved me to tears But tonight, I crossed the line,  
I used to know her, when my house was sober,  
I could find lessons in life,  
Over and over, is it really over? I don't wanna see you go,  
I need somebody to love me,  
(Need somebody, oh)  
Why'd it take so long to know?  
I need somebody to love me,  
(Need somebody, oh)  
I want somebody to be nice,  
See the boy, I once was in my eyes,  
Nobody's gonna save my life But tonight, I crossed the line,

I used to know her, when my house was sober,  
I could find lessons in life,  
Over and over, is it really over? I don't wanna see you go,  
I want somebody to love me,  
(Need somebody, oh)  
Why'd it take so long to know?  
I want somebody to love me,  
(Need somebody, oh)  
Yeah, I want somebody nice,  
See the boy, I once was in my eyes,
