

Dead And Broken

Alkaline Trio

A deep dark secret down at the bottom
But this bay can't keep it unforgotten.
And a story that was told has now grown taller than we'd ever wish to be
Beyond belief I'll grab the boat if you go grab the anchor,
The tarp and twine and the weights that sank her.
They weren't enough look who showed up
A new light shed is shining through. Illuminating you as we lay Side by side, dead and broken
Our lives aren't the same since the night yours went stolen.
Blood ran black beneath the moonlight. Your lover's blood ran cold,
Cutting off the hands he used to hold. A deep dark secret down at the bottom
But this bay can't keep it unforgotten.
And a story that was told has now grown taller than we'd ever want to be
Beyond Belief. Side by side, dead and broken
Our Hearts aren't the same since the night yours went stolen.
Blood ran black beneath the moonlight. Your lover's blood ran cold,
Cutting off the hands he used to hold. We used to hold.
