Breathe

Tyler Layne

Verse 1:
Wide awake. A Reckless night. Me against my thoughts Iâ€™m trying to fight. My demons coming back for more. I donâ€™t recognize myself anymore. In the mirror thereâ€™s a monster staring back at me. Scared of myself I think â€ is heâ€™. My ship sank. Iâ€™m undone. Tying myself to an anchor.
Chours:
It feels like I canâ€™t breathe. Iâ€™ve got a hold on me. My own worse enemy. Need someone to come in save me. Can't believe Iâ€™m here again. Reached another dead end. Canâ€™t take more self destruction. Iâ€™m running ou oxygen.
Verse 2:
Another day itâ€™s all the same. Stuck in the eye of a hurricane. Rushing, rolling, just one more shot til we reach the moonland. Always feel like Iâ€™m one step behind. I canâ€™t keep up with the speed of time, but Iâ€™ll kee pretending like Iâ€™m okay when you ask me.
Chours:
It feels like I canâ€™t breathe. Iâ€™ve got a hold on me. My own worse enemy. Need someone to come in save. me. Canâ€™t believe Iâ€™m here again. Reached another dead end. Canâ€™t take more self destruction. Iâ€™m runnin oxygen.
Bridge:
Iâ€™m drowning. Iâ€™m screaming. Can anyone hear me? Is anyone listening? x2
Can anyone hear me?
Chours:
It feels like I canâ€™t breathe. Iâ€™ve got a hold on me. My own worse enemy. Need someone to come in save me. Canâ€™t believe Iâ€™m here again. Reached another dead end. Canâ€™t take more self destruction. Iâ€™m runnin oxygen.
