

You Mean Everything To Me

Shawn Mullins

I've been on the road too long
And I've been stuck inside a song
And you know our love has been through rougher weather
 But our passion's like a rose
 The seasons tell it how it grows
And not much compares to the times we've shared together
 'Cause love heals everything
 We're no exception to the rule
 You mean everything to me
 So if there is anything at all
 All you've got to do is call
 And you know that I would
 Drive 10,000 miles
 Just to show you that I care
 Just to kiss your honey hair
And pull you close and hold you like a child
 Love heals everything
 We're no exception to that rule
 You mean everything
 You mean everything
 You mean everything to me
