

Airstream Driver

Gomez

All the angels on the wire
Getting dizzy from the heights
Go carefully, carefully
Oh, airstream driverShe shoots but never misses
Stare down passin traffic
Go carefully, carefully
Oh, airstream driverI would return the favor
Oversleep the rapture
Go carefully, carefully
Oh, airstream driverYour watermelon candy mouth
The penthouse at the sands
Go carefully, carefully
Oh, airstream driverREPEAT VERSESGo go go carefully, go airstream driver x5
