Catch Me Running Round

No Fun at All

Well I'm running in pure desperation
On a mission I don't understand
It's a search that will last for a lifetime
And I don't even know what I'll find when I'm thereCatch me running round
Catch me running round
Catch me running round
Don't you stop me
Catch me running round
Catch me running round
Catch me running round
Don't you stop me nowMy whole body is shaking with fever
And I'm tired but I never sleep
'Cause I have to fulfill the agreement
And then I know that I get my reward when I'm done
