

Mucho Money

Miami Sound Machine

[...]

Don't you bring me any flowers, flowers wither by the day
No more promise of tomorrows, no todays or yesterdays, just give me some cash

[...]

Mucho money, mucho money, mucho money, mucho money

[...]

Ain't no need for explanation of a hundred thrown away
I'll give you the satisfaction and you send some cash my way
(eh, no money, no money)

[...]

Mucho money, mucho money, mucho money, mucho money

[...]

(Do the cash back in your pocket, you're the king, you know where it's at)

[...] (repeats 3x)
