

(There's) Always Something There To Remind Me

David Firman and his Orchestra

I walk along the city streets
You used to walk along with me
And every step I take
Recalls how much in love we used to be
Oh, how can I forget you?
When there is always something there to remind me
Always something there to remind me
I was born to love you and I will never be free
You'll always be a part of me, oh
When shadows fall, I pass a small cafe
Where we would dance at night
And I can't help recalling
How it felt to kiss and hold you tight
Oh, how can I forget you?
When there is always something there to remind me
Always something there to remind me

I was born to love you and I will never be free
You'll always be a part of me, oh oh
If you should find you miss the sweet
And tender love we used to share
Just come back to the places
Where we used to go and I'll be there
Oh, how can I forget you?
When there is always something there to remind me
When there is always something there to remind me
I was born to love you and I will never be free
When there is, when there is
When there is always something there to remind me
Oh, always something there to remind me
Oh, always something there to remind me
There is always something there to remind me
