

# Something to Believe In

## Poison

Well I see him on the TV  
Preachin' 'bout the promised lands  
He tells me to believe in Jesus  
And steals the money from my hand  
Some say he was a good man  
But Lord I think he sinned, yeah  
Twenty-two years of mental tears  
Cries a suicidal Vietnam vet  
Who fought a losing war on a foreign shore  
To find his country didn't want him back  
Their bullets took his best friend in Saigon  
Our lawyers took his wife and kids,  
No regrets  
In a time I don't remember  
In a war he can't forget  
He cried forgive me for  
What I've done there  
'Cause I never meant the things I did" And give me something to believe in  
If there's a Lord above  
And give me something to believe in Oh, Lord arise  
My best friend died a lonely man  
In some Palm Springs hotel room  
I got the call last Christmas Eve And they told me the news  
I tried all night not to break down and cry  
As the tears rolled down my face  
I felt so cold and empty  
Like a lost soul out of place  
And the mirror, mirror on the wall  
Sees my smile it fades again And give me something to believe in  
If there's a Lord above  
And give me something to believe in, oh Lord Sometimes I wish to God  
I didn't know now  
The things I didn't know then  
Road you gotta take me home I drive by the homeless sleeping on  
A cold dark street  
Like bodies in an open grave  
Underneath the broken old neon sign  
That used to read  
Jesus Saves

A mile away live the rich folks  
And I see how they're living it up  
While the poor they eat from hand to mouth  
The rich is drinkin' from a golden cup  
And it just makes me wonder  
Why so many lose, so few win  
And give me something to believe in  
And give me something to believe in  
If there's a Lord above  
And give me something to believe in, oh Lord  
And give me something to believe in  
And give me something to believe in  
You take the high road  
And I'll take the low road  
And give me something to believe in  
And give me something to believe in  
Yeah sometimes I wish I didn't know now  
The things I didn't know then, yeah  
And give me something to believe in, yeah, yeah
