

# Thank You (ã,µãf³ã,-ãf¥ãf¹⁄)(Cnn mix)(1991)

## Pizzicato Five

Thank you  
For the pleasant kiss  
From you  
Thank you But I'm in a gloomy mood  
That won't cheer me up  
Funky  
When there's music On midnight radio,  
But there's also gloomy news  
On midnight radio  
Together, As long as we are in each other's arms  
The earth will just go on  
Spinning  
Funky Midnight town is  
Very funky  
The whole world  
Is whispering love Thank you  
For the pleasant kiss  
From you  
Thank you But I'm in a gloomy mood  
Want to die  
Got no money and  
I'm hungry But the world is  
Still spinning  
Together like this  
As long as we are in each other's arms The earth is slowly  
Spinning  
Holding tight  
As long as we are in each other's arms We might not even realize  
That it's the end of the world
