

# Oh Comely

## Painted Saints

Oh, Comely, I will be with you when you lose your breath  
Chasing the only meaningful memory you thought you had left  
With some pretty bright and bubbly terrible scene  
That was doing her thing on your chest But oh, Comely, it isn't as pretty as you'd like to guess  
In your memory you're drunk on your automy  
It doesn't mean anything at all Oh, Comely, all of your friends are all letting you blow  
Bristling and ugly, bursting with fruits falling out from the holes  
Of some pretty bright and bubbly friend  
You could need to say comforting things in your ear But oh, Comely, there isn't such one friend that you could  
find here  
Standing next to me, he's only my enemy  
I'll crush him with everything I own Say what you want to say and hang for your hollow ways  
Moving your mouth to pull out all your miracles aimed for me Your father made fetuses with flesh licking ladies  
While you and your mother were asleep in the trailer park  
Thunderous sparks from the dark of the stadiums  
The music and medicine you needed for comforting So make all your fat fleshy fingers to moving  
And pluck all your silly strings and bend all your notes for me  
Soft silly music is meaningful, magical  
The movements were beautiful all in your ovaries All of them milking with green fleshy flowers  
While powerful pistons were sugary sweet machines  
Smelling of semen all under the garden  
Was all you were needing when you still believed in me Say what you want to say and hang for your hollow  
ways  
Moving your mouth to pull out all your miracles aimed for me And I know they buried her body with others  
Her sister and mother and five hundred families  
And will she remember me fifty years later  
I wished I could save her in some sort of time machine Know all your enemies, we know who our enemies are  
Know all your enemies, we know who our enemies are Goldaline, my dear, we will fold and freeze together  
Far away from here, there is sun and spring and green forever  
But now we move to feel for ourselves inside some stranger's stomach  
Place your body here, let your skin begin to blend itself with mine
