

# Stay Positive

## Asian Meditation Music Collective

Whoa, ho, ho, whoa, ho, ho, whoa, ho, ho  
Whoa, ho, ho, whoa, ho, ho, whoa, ho, ho I've got a lot of old friends that are getting back and touching  
It's a pretty good feeling, yeah it feels pretty good  
I get a lot of double takes when I'm coming round the corners  
And it's mostly pretty nice, yeah it's mostly pretty alright 'Cause most kids give me credit for being down with it  
When it was back in the day back when things were way different  
When the youth of today and the early seven seconds  
Taught me some of life's most valuable lessons There's gonna come a time when the scene'll seem less sunny  
though  
Probably get druggy and the kids will seem too skinny  
There's gonna come a time when she's gonna have to go  
With who ever's gonna get her the highest There's gonna come a time when the true scene leaders  
Will forget where they differ and get big picture  
'Cause the kids at the shows, they'll have kids of their own  
And the sing along songs will be our scriptures Whoa, ho, ho, whoa, ho, ho, whoa, ho, ho  
We gotta stay positive  
Whoa, ho, ho, whoa, ho, ho, whoa, ho, ho  
We gotta stay positive Whoa, ho, ho, whoa, ho, ho, whoa, ho, ho  
We gotta stay positive  
Whoa, ho, ho, whoa, ho, ho, whoa, ho, ho  
We gotta stay positive When the chaperon crowned us the king and the queen  
I knew that we'd arrived at a unified scene  
And all those little lambs from my dreams  
Well, they were there too 'Cause it's one thing to start it with a positive jam  
And it's another thing to see it on through  
And we couldn't have even done this  
If it wasn't for you Whoa, ho, ho, whoa, ho, ho, whoa, ho, ho  
We gotta stay positive  
Whoa, ho, ho, whoa, ho, ho, whoa, ho, ho  
We gotta stay positive  
Whoa, ho, ho, whoa, ho, ho, whoa, ho, ho
