

# Fairplay

## Clockwork Times

Wouldn't that be fair  
Wouldn't that be fair  
    Baby, baby  
    Baby, baby  
    Baby, baby, okay

Baby, baby, I've got this feeling in my soul  
    If you don't love me would it be fair  
    Use my love and give yours to another  
    Wouldn't that be fair

I can hide all of the misery and pain  
I am sure I will never love this way again  
    Wouldn't that be fair  
    Do you think she would care

Wouldn't that be fair  
Wouldn't that be fair

Like the sun when it hits the urban sky at day  
    Lights and music takes me higher  
    I would love to dance my life away  
    Now wouldn't that be fair

Baby, baby, baby  
I want, I want to, want to, want to be fair  
    Oh, fairplay  
    Oh, fairplay

Soul II Soul is the place where you should be  
On Sunday night we'll expect you and Jazzie be  
    'Cause it's all about expression  
    'Cause it's all about expression

Funky people, express yourself tonight  
But thinking 'loud but that's the same thing alive  
    'Cause it's all about expression  
    'Cause it's all about expression

Baby, I think you should come down

And try to express yourself, yourself  
Baby, baby, baby, baby  
I want you, want you, want you to be fair, baby

Oh, fairplay  
Oh, fairplay

'Cause, baby, baby, I've got this feeling in my soul  
If you don't love me would it be fair  
Use my love and give yours to another  
Wouldn't that, wouldn't that, wouldn't that be fair

Oh fairplay, oh fairplay  
Oh fairplay, oh fairplay
