

Mayor

Pacific Division

Just another day out in sunny LA
theres dealers in the streets and the coppers dont play
got my 501 jeans my crew neck sweater
saggin in my pants cuz i dont know better
in any weather we stay the flyest
killas on my side case u suckas wanna try us
numbers in my phone im so player
feelin so good i think i might run for mayor
i might run for mayor

i might run for mayor
nigga ask your momma ima muthafuxxin player
if i see ya girlfriend starin ima take her
thats word to my cousin up in oakland wit the scraper
501 jeans yeah thats my flavor
crew neck sweaters in the club fucka blazer
button up under case the bouncer is a hater
straight to the bar for a couple shots of jaeger
if i see a nice thin lite skin ima game her
tell her im big mibs and im runnin for mayor
she digs my speeds and guess where imma take her
back to the crib where ii can blaze her
modern joe frazier second round knock out
when i pull the cock out baby see u later
i think around 8 or 9 imma wake her
up take her home then go pick up my paper

ridin by zoom but we boom wit the base muffle
fly as a space shuttle, cool as a rain puddle
who wanna make trouble
pimp hand heavy no half steppin
like old skool daddy kane for ya
its a shame on you, what you lames goin do
you's a bitch, we make it rain on you
yea the dames come thru
we decked out wit hoes draw circles around tens,
then x out the o's, boy check out my pose
stand smith classic fresh out the grove
look who crept out the stove
keep a bad one like she fresh out the vouge

then we go shoppin like we fresh out the clothes
gimme dat, shoppin bags, poppin tags, imma smash
from the side of the tracks, where the homies talk trash
u can only sight see if u got a pass, the mayor

chorus
