

Mr. Radio

Chrisette Michele

Talk about a mans lips
talk about a mans hands
talk about a man eyes

Talk about a womens lips
talk about a womens breast
talk about a womens thighs

those the things so beautiful
but is there more than physical
isnt love much deeper

write a song thats spiritual
write about a lover soul
tough loves much sweeter

(Chorus) Thank for your tune ta make love to i heard it before
thank you for your love song mr. radio
thank you for you laloby it makes love look so easy
thank you for your love song mr.radio

talk about that time
talk about a sweet kiss
talk about hot nights
talk about making love
talk about make it love
talk about love life

what about the crazy fights
what about the sleepless nights
what about a brothers ego ego
what about the secret file
how the lovers work it out
there's much more than a tingle

Chorus

See i know sometimes lovers go crazy
a smile and some laundry can make it right

and i know some fights mr. radio can block away
thank you for the fantasy

thank you for tunes
thank you for your love song mr. radio
thank you for your laloby oooo
