To All New Arrivals (Ft Harry Collier)

Faithless

In our world, malaria kills a child every 30 seconds
11 million children die every year of malnutrition(To all new arrivals, welcome)
In our world, 15 million children have been orphaned by AIDS
30,000 children die of preventable causes every day(To all new arrivals, welcome)
In our world, 2 million children are working in the sex trade this moment
([Incomprehensible])
1.1 billion people in the world, earn less than a dollar a day
([Incomprehensible])To all new arrivals, we love you
We would die for you, kill for you, welcome
To all new arrivals, we love you
We would die for you, kill for you, welcomeIf there's a God, be aware, I'm a man newly made
My son lies here and only of him, am I afraid
As I gaze into that face, I perceive that which is true
I created him and we created you in his image
(To all new arrivals, we love you)
(We would die for you, kill for you, welcome)
And I never knew love like thisTo all new arrivals, we love you
We would die for you, kill for you, welcome
To all new arrivals, we love you
We would die for you, kill for you, welcome
Welcome, welcome
