

# Not Over (Ft. Ryan Tedder)

**Paul Oakenfold**

Time to say goodbye, it's time to make a move  
Nothing left to hide, everything to lose  
There is not a day I wake, not a step that I take  
When I don't see your ghost, I think you should know  
It's time for both of us to put aside our past  
We're looking forward now, strong enough to last  
There's not a night I sleep, not a dream that I keep  
If I don't see your face, it's you I can't replace  
You're running through my mind  
Baby all the time, it's not over yet  
Deep inside my soul  
This I know for sure, it's not over yet  
You're running through my mind  
Baby all the time, it's not over yet  
Deep inside my soul  
This I know for sure, it's not over yet  
Every single night I dream of love  
Every single day I'm thinking love  
With every thought of you I'm still in love  
Don't say goodbye 'cuz it's not over yet  
(Every night, every day)  
Not over yet  
(Every night, every day)  
You're running through my mind  
Baby all the time, it's not over yet  
Deep inside my soul  
This I know for sure, it's not over yet  
You're running through my mind  
Baby all the time, it's not over yet  
Deep inside my soul  
This I know for sure, it's not over yet
