Gaze

Suuns

You say to me,
"You are not the same."
But you know there is something in the way
Tell my friends I'm worth nothin'
But you feel us coming anywaySee you through the window pane
You catch my case and you don't feel the same
Pick me up, pick me up again
Wish you'd know it's coming in the air
Don't you be yourself,
You are someone else.
Don't you be yourself,
You are someone else.Tell my friends I'm worth nothin'
But you feel us comin anyway.
Tell my friends I'm worth nothin'
But you feel it softly fading again.
Don't you be yourself,
You are someone else.
Don't you be yourself,
You are someone else.
