Need One (Fabien's Mix)

Martina Topley-Bird

Tell it face to face
You got you a race
Ain't got no time to taste
[Incomprehensible]If I went away
You could walk today
Time walks a world away
Screw me, you tryYou're gonna kill some
You're gonna free some
You're gonna lose someoneYou're gonna freak some
You're gonna want some
You're gonna believe someoneWhat you're feedin' me
Don't make a mark of me
I don't bruise so easily
No scars insideI tell it face to face
Got no time to taste
My memory's your fate
No scars insideYou're gonna kill some
You're gonna free some
You're gonna lose someoneYou're gonna taste some
You're gonna want some
You're gonna believe someoneSend me [Incomprehensible]
[Incomprehensible]I'm gonna need some
I'm gonna need some
I'm gonna need someoneAnd did you believe some?
You're gonna breathe some
You're gonna free someone
Send me [Incomprehensible]Tell it face to face
You got you a race
Face to face
You got you a race
Tell it face to face
Face to face
