Lonely Street (Re-Recorded Version)

Kitty Wells

I'm looking for that lonely street
I've got a sad, sad tale to tell
I need a place to go and weepWhere's that place called lonely street
A place where there's just loneliness
Where dim lights bring forgetfulness
Where broken dreams and memories meet
Where's this place called lonely streetPerhaps upon that lonely street
There's someone such as I
Who came to bury broken dreams
And watch an old love die
If I could find that lonely street
Where and by chance someone I'd need
Someone who feel the way I do
And knows just what false love can doPerhaps upon that lonely street
There's someone such as I
Who came to bury broken dreams
And watch an old love die
A place where there's just loneliness
Where dim lights bring forgetfulness
Where broken dreams and memories meet
Where's this place called lonely street
