

# Lonely Street (Re-Recorded Version)

[Kitty Wells](#)

I'm looking for that lonely street  
I've got a sad, sad tale to tell  
I need a place to go and weep Where's that place called lonely street  
A place where there's just loneliness  
Where dim lights bring forgetfulness  
Where broken dreams and memories meet  
Where's this place called lonely street Perhaps upon that lonely street  
There's someone such as I  
Who came to bury broken dreams  
And watch an old love die  
If I could find that lonely street  
Where and by chance someone I'd need  
Someone who feel the way I do  
And knows just what false love can do Perhaps upon that lonely street  
There's someone such as I  
Who came to bury broken dreams  
And watch an old love die  
A place where there's just loneliness  
Where dim lights bring forgetfulness  
Where broken dreams and memories meet  
Where's this place called lonely street
